

Delta Monthly Meeting of Friends state of the Meeting Report

Delta Meeting sends Greetings to Friends of the Quarter and beyond.

This past year has been a continued challenge for Delta, as it has been for Friends everywhere. Meeting has not been able to gather for in person worship and support. We maintain contact through the internet, phone calls and letters. Though Meeting has not embraced "Zoom" for gathering, individual Friends have chosen to virtually worship with other monthly Meetings and Friends churches. One Friend has hosted virtual worship in her home. Another Delta Friend has moved to New Mexico and meets virtually with Santa Fe Friends Meeting. Some Friends have worshiped alone and with family members. Delta Friends have missed our time together. Meeting, already small, has lost two more members through death in this past year; Roberta Hogan, and Ellen Lyon, both long time members and active in Meeting.

Though Delta Meeting has explored the move to lay itself down, Friends have not felt opening to make that move yet. We wait for way to open for the best decision.

Meeting income has lessened, though Friends are able to support some of our past causes and have been able to honor our deceased members with memoriams.

Delta Meeting continues working with issues of aging, inability to travel and health issues, complicated by long distances between Friends. The Meeting is grateful to Friends of the quarter for support as Meeting finds its way forward.

Delta Meeting continues to hold you all in the Light and in Love.
