- ❑ shirt that is okay to get stained during service project
- ❑ closed toed shoes that are okay to get stained and wet
- ❑ warm jacket
- ❑ bathing suit
- ❑ work gloves

Personal items

- ❑ sleeping bag
- ❑ sleeping pad
- ❑ pillow and pillow case
- ❑ toiletries
- ❑ towel and washcloth
- ❑ water bottle
- ❑ cloth napkin
- ❑ sunscreen
- ❑ flashlight with batteries
- ❑ musical instrument (optional)
- ❑ alarm clock (optional)

After teen business meetings end, a mixed gender social space will be available at night where the entire group can hang out until they decide to go to sleep in the appropriate space. We are also planning gender specific sleeping areas for teens with at least one adult in each space. After all the teens have left the social space, there will be two adults spending the night with each group.
