Driving Directions to Ben Lomond Quaker Center

From San Jose or the Bay Area: Take Highway 101, I-280 and Highway 85, or I-880 south to Highway 17 toward Santa Cruz. Go over the summit and down the mountain to the second Scotts Valley exit (Mt. Hermon Rd., Felton, Big Basin). Go right at end of ramp onto Mount Hermon Road.*

Important GPS Note: If you use Googlemaps or a GPS it may give you a route from the Bay area that takes you over mountain roads such as Bear Creek Road, Highway 9, and Highway 35; they are scenic but slow moving and can be confusing, especially at night. We recommend the directions above.

From Points South: Take Highway 101 North to Salinas, then Highway 183 to Highway 1 North to Highway 17 at Santa Cruz. Take Highway 17 North to the first Scotts Valley exit (Mt. Hermon Rd., Felton, Big Basin). Follow exit which crosses over Highway 17 and becomes Mt. Hermon Rd.*

***From Scotts Valley, CA (Mt. Hermon Rd.):** Take Mt. Hermon Rd. west through Scotts Valley, and continue about 4 miles where it ends in Felton at a “T” intersection with a traffic light. Turn right on Graham Hill Rd. and go to the “other traffic light” in Felton. Turn right again and go North on Highway 9 for 3 miles to Ben Lomond.**

****From Ben Lomond, CA:** Take Highway 9 North from the light at the center of town. Continue one quarter mile to the Quality Inn (on left). About 150 yards past motel, move into the center turning lane as soon as it starts and immediately turn left onto Hubbard Gulch Rd. There is a sign for Quaker Center at this intersection. If you reach Alba Rd. or the Orthodox Church of Sts Peter and Paul, you have gone too far! There are signs for Quaker Center all the way up Hubbard Gulch Rd. One mile up, watch for specific signs for your group.
